Course Description:

The Paediatric Refugee Health Conference is a one day event aimed at GP's, health professionals, NGO caseworkers and anyone interested in child refugee and asylum seeker health issues. The conference will span healthcare, rights and advocacy issues related to child refugee health. Current advances in research, practice and in the management of child refugee health problems will be covered.

The focus is to highlight and celebrate the work carried out by the HARK clinic over the last ten years and thank all those who have supported us. There will be opportunities for participants to ask questions and be included in a very thought-provoking and stimulating discussion with some of Australia's experts in this field.

Course Fees:

\$25.00 for the first 50 caseworkers registered, \$100.00 for all other attendees (*Fees include GST, conference notes, morning and afternoon teas and lunches*).

All proceeds will go towards the running of the conference and transport and emergency packs including food, toiletries and blankets for HARK patients.

The event will be recorded and a DVD will be available for \$20 via the Kids Health Bookshop at The Children's Hospital at Westmead
