

TRANSITION FOR CARERS FORUM

Transition is the period when a child moves from adolescence to adulthood. It is a complicated process for children with chronic health conditions, but is far more complex for those who have additional issues such as an intellectual disability, cognitive impairment, autism or brain injury.

REGISTRATION IS FREE. Morning Tea and lunch provided.

WHO: This forum is for parents & carers of young people aged 14 – 18 years who have a chronic health condition & who, because of a disability, will have difficulty managing their own care as adults.
