

SCAMP Resource Pack Contents

To make up your SCAMP Resource Pack we recommend that you print the following documents, insert into plastic sleeves and place in a folder in the following order.

- SCAMP Resource Pack Title Page
- Useful Checklists and Records
 - Annual Checklist – *recommended school asthma best practice strategies to be promoted, implemented, and maintained*
 - Asthma First Aid Kit – *Lists the recommended contents and maintenance instructions for a school asthma first aid kit*
 - Asthma First Aid Kit Checklist – *To assist in checking the contents and expiry puffer date on a regular basis*
 - Asthma First Aid Treatment Record – *To record asthma first aid provided to students – can be helpful in identifying “frequent flyer” students*
 - Important Update Points – *Recommended asthma first aid information to update staff with on a regular basis*
 - School Asthma First Aid Update Record – *A place to record your update points information sessions*
 - Staff Training Record – *A place to record names of staff who complete their training via the “Asthma First Aid Management in Schools eBook” - available for [FREE DOWNLOAD](#) from the Apple® iTunes® store, SCAMP cluster face to face training session, or in-house update sessions*
- Kids’ First Aid for Asthma Poster – *The National Asthma Council Australia (NAC) resource illustrating the 4x4x4 nationally recognised asthma first aid procedure recommended as the asthma first aid procedure to follow in a community setting in the absence of alternative medical instructions*
- NSW Health Schools and Child Services Action Plan for Asthma Flare-Up – *The recommended form to be used to provide a student’s asthma first aid instructions to schools. Must be completed and signed by a medical or nurse practitioner*
- SCAMP Snippets – *An asthma information newsletter to foster asthma awareness within the home and school community*
- SCAMP Asthma Information for School Staff – *provides staff with an overview of asthma management within the school environment*
- Action Card for Asthma First Aid Kit – *A resource for your Asthma First Aid Kits - Print as a 2 sided copy, laminate and cut in half and trim to size to give you 2 cards to put into your asthma first aid kits*
