

Getting to the Children's Emergency via the road or footpath?

Here's how to get to our new building, Block K along Hawkesbury Road

- = Driving route
- = Walking route

If a parent or carer with an acutely ill child arrives at the old Emergency Department a mobile arrest should be called by dialling 2222 from an internal phone. The mobile arrest team will attend and manage the patient.

the **children's** hospital at Westmead
