Bear Cottage Benefits from \$100,000 Yuhu Group Donation

Bear Cottage recently received a very generous donation of \$100,000 from Yuhu Group (Australia). The donation was presented to Dr Michael Brydon, Sydney Children's Hospitals Network Acting Chief Executive, by Holly Huang, Yuhu Group (Australia) Managing Director, on their 2015 Giving Day on Friday 6 February.

Yuhu Group manages and invests in commercial real estate and has a strong commitment to community wellbeing. Since establishing in Australia in 2011 the Group has donated more than \$3 million to Australian organisations supporting health, disaster relief, aged care and research.

"The Yuhu Group welcomes the opportunity to participate in, and give assistance to, local groups that are so important to the wellbeing of the community," said its Chairman, Huang Xiangmo.

The Yuhu Group donation will contribute to Bear Cottage's specialist respite and palliative care services which cost over \$2,600 per week for a family stay. This respite enables families to spend quality time together and helps them create special memories that will remain long after their child has passed away.

"We would like to sincerely thank Yuhu Group for their generous support of Bear Cottage. As the only children's hospice in NSW, the care Bear Cottage provides terminally ill children and their families is vital. Yuhu Group's \$100,000 gift will make an enormous difference to the lives of these very special children, and for that we are incredibly grateful," said Dr Michael Brydon.

For more information about Bear Cottage, or to make a donation, visit www.bearcottage.chw.edu.au or phone 02 9976 8300.
